15 Deardengate, Haslingden BB4 5QN
01706 231375 | homecare@townfieldhouse.co.uk

Townfield Home Care (Haslingden) operates throughout the whole of Rossendale and surrounding areas. We offer a wide range of care solutions to suit everyone's needs. We are confident that we can tailor make a package to suit you.

This includes help and support with:

- Personal care (washing, bathing, dressing, etc)
- Domestic duties (cleaning, shopping, laundry, etc)
- Medication management (administering, prompting)
- Meal preparation
- Social outings
- Companionship and sit in service
- Post operative support
- Palliative/end of life care
- Holiday and respite service (we accept L.C.C's respite hours)

All our staff are professionally trained to a high standard, are fully insured and have undergone both a DBS and a background check. We are a Lancashire County Council framework provider and proud to be fully compliant with the Care Quality Commission.

Townfield Care is a family owned company which is committed to achieving the highest standards of care. The company operates three residential care homes, two home care services and a mobility shop.

We have been an active part of the community for over 35 years providing care throughout the local area.

Our Mission Statement

Our philosophy is to provide personalised care to all people, so that they may enjoy the highest possible quality of life, taking into consideration the physical, emotional, spiritual and social needs of the person.

Independence, dignity and respect are maintained by practising the highest standards of care, thus ensuring valued quality of life.

Our Aims and Objectives

To deliver a service of the highest quality that will sustain and improve the persons overall quality of life.

To ensure that each persons needs and values are respected in all matters including religion, culture, race, ethnic origin, disabilities and impairments.

To ensure the care service as a whole is delivered in accordance with the agreed contract of care.

Manage a controlled formal programme of staff planning, selection, recruitment, training and development to enable the person needs are met.

The service will be run efficiently and effectively to make best use of our resources and to maximise value of money for the people.

RIBBLE VALLEY

Sawley Old Brow, Sawley, Clitheroe BB7 4LF
01200 441205 | manager@ribblevalleycarehome.co.uk

Ribble Valley Care Home is located in the centre of the beautiful village of Sawley, on the edge of the Forest of Bowland and overlooking the meandering River Ribble.

There are stunning views of the Ribble Valley looking across the river and views up to Pendle Hill. It is surrounded by countryside and has beautiful mature gardens with lawns and flower beds all around the home. There is a courtyard in the centre of the home which complements the gardens giving beautiful vistas for all the residents and visitors to the home to enjoy.

There is a homely atmosphere throughout the home which is well furnished and decorated. It provides a first class service to the residents ensuring they retain their independence and individual choices whilst living in a caring, safe environment.

The home provides easy access to the lounges, a conservatory overlooking the river, a dining room and courtyard to enable the residents to be free to go wherever they choose.

All bedrooms are single occupancy and are fitted with a call bell system so that staff assistance can be obtained quickly and easily. Some rooms provide en-suite facilities.

Home cooking provides delicious and nutritious meals for the residents with all ingredients sourced locally and cooked in its own kitchen and caters for all dietary requirements.

DEMENTIA

99-103 Church Street, Great Harwood BB6 7QB
01254 884058 | townfield@townfieldhouse.co.uk

Townfield and Coach House has over 35 years experience in dementia care. Our dementia care is designed to support and care for people who live with dementia including Alzheimer's or any form of memory loss.

Our person-centred care is designed to ensure each service user is treated as an individual with dignity and respect. The aim of the service is to deliver the highest quality of care that will sustain and improve the service users overall quality of life.

All of our staff are fully trained and experienced in caring for those living with dementia. All have undergone both a DBS and a background check.

We have an activities co-ordinator who is responsible for organising activities within the home and maintaining links with the local community. Service users are encouraged to participate with any activities so that a full life can be maintained.

We serve traditional home cooked food, using the freshest local ingredients. All service users can select from the daily menu available and special diets can be catered for.

We offer respite care and day care.

RESIDENTIAL

Sherwood House, Clifton Street, Rishton BB1 4DW
01254 829816 | sherwood@townfieldhouse.co.uk

Sherwood House is a small residential home for the elderly, designed to make service users feel comfortable and warm in friendly surroundings. We offer as much or as little help as required and pride ourselves on the high level of person centred care.

Sherwood House is a detached building situated on Clifton Street in the small town of Rishton. Sherwood House is attractively decorated to a high standard, with 6 spacious en-suite bedrooms.

There is also a large lounge, kitchen and dining room which allow service users to interact with freedom and independence. Sherwood House has been designed to be as comfortable as possible and be a home away from home.

There are a number of local amenities within short walking distance such as the library, health centre, parks and shops as well as good local transport links.

We offer a wide range of home cooked food to suit everybody's dietary needs. All of our food is cooked on site from fresh local ingredients.

We have a wide range of recreational activities and we are more than happy to accommodate any other hobbies or social activities.

Respite/holiday and convalescent care also available.
